## BACKGROUND

**D**AY NULM Scheme is launched with an aim to reduce poverty and vulnerability of the urban poor households by enabling them to access self-employment and skilled wage employment opportunities, resulting in an appreciable improvement in their livelihoods on a sustainable basis, through building strong grassroots level institutions of the poor. The mission would aim at providing shelter equipped with essential services to the urban homeless in a phased manner. In addition, the Mission would also address livelihood concerns of the urban street vendors by facilitating access to suitable spaces, institutional credit, social security and skills to the urban street vendors for accessing emerging market opportunities.

Under the DAY-NULM Scheme, a separate component is included namely Shelter for Urban Homeless (SUH) with aim to provide shelter and all other essential services to the poorest of the poor segment of urban societies.

## SALIENT FEATURES

- The shelters should be permanent all-weather 24 x 7 shelters for the urban homeless. For every 1 lakh urban population, provisions should be made for permanent community shelters for a minimum of one hundred persons. Depending upon local conditions each shelter could cater to between 50 and 100 persons.
- For shelter planning purposes, a space of 50 sq. feet or 4.645 Sq. meters or say, 5 square meters per person may be taken as the minimum space to be provided.
- **Linkages with entitlements:** Shelters should be a space for convergence and provisions of various entitlements of social security, food, education and health care systems. All homeless persons, in shelters should be given priority under various schemes, and Government programmes.
- **Location of Shelters:** Location should be close to homeless concentrations and work sites as far as practicable. They may be located close to the areas where the poorest congregate like railway stations, bus depots, terminals, markets, wholesale mandis etc.

## SCOPE

- The scheme is being implemented in all Urban Local Bodies of the State
- Depending on local conditions, each shelter could cater upto 100 persons
- Type of Shelters Males, Females, Families and Special which includes old persons without care, mentally or physically challenged, recovering patients and their families / attendants.

## HOMELESS STANDS :-

**H**omeless person means, an individual who lacks a fixed, regular, and adequate night-time residence or those who, on a specific, purpose attend towns and cities and remain shelter-less. Homeless persons include persons who do not have a house, either self-owned or rented, but instead live and sleep on pavements, at parks, railway stations, bus stations and places of worship, outside shops and factories, at construction sites, under bridges, in human pipes and other places under the open sky or places unfit for human habitation.

## FACILITIES AT THE SHELTERS

The shelters will be permanent, running throughout the year; and open round the clock, because many homeless persons find work in the nights. Following facilities/amenities may be provided at the shelters for dignified living:

- a) Well ventilated rooms.
- b) Water arrangements (Potable drinking water and other needs) and sanitation.
- c) Adequate bathing & toilet facilities.
- d) Standard lighting for shelter.
- e) Adequate fire protection measures, as per the norms.
- f) First aid kit.
- g) Pest and vector (mosquito) control.
- h) Regular cleaning of blankets, mattresses and sheets, and maintenance of other services.
- i) Common kitchen/cooking space, necessary utensils for cooking and serving, cooking gas connections etc.
- j) Child care facilities for children by linking the shelter to the nearest Anganwadi Centers.
- k) Facilitation for convergence with other services/entitlements.
- l) Personal lockers for personal storage space.
- m) Common recreation space.

# SHELTER HOME MONITORING COMMITTEES
